13) A chief officer of a municipality who is in the grade of Rs 100-5-25 is not expected to keep a car for the discharge of his duties. It would indeed be difficult for him to maintain one out of his meagre pay. The above points to him.

14) Somewhere this chief officer was known must have kept a car when he was in the Hanau municipality. He has claimed the payment of a similar amount of Rs 50/- p.m. for his transfer to Hanau. The municipality have received on 27.3.47 to give him the car allowance of Rs 50/- p.m. with effect from 1.1.46 - the date on which he took charge as chief officer Hanau Municipality. The proposal is recommended by the D.C. Hanau District.

For order

15) It is stated that Mr. Krishnamoorthy Rao, Chief Officer, Chinija Town Muly has maintained a small Morris 8 H.P car, and he was in receipt of a motor car allowance of Rs 50/- prior to his ~~present duty post~~ transfer to Chinija Muly. As he is still maintaining the car, it is recommended that instead of a conveyance allowance of Rs 25/- attached to the post Mr. Krishnamoorthy Rao may be given a motor car allowance of Rs 50 p.m with effect from 11/46.

16) This is a point for consideration on or after 5

I do not think an officer of the status & grade of Chief Officer should be induced to maintain a car. Even if drawing twice or three his pay just it difficult to maintain car. Maintenance of car by ~~low paid~~ ^{low paid} drawing small salaries, will

five days for malpractices or make them
 nothing of temptation. It would be enough
 if the ^{chief officer} maintains a cycle or at least a
 motor cycle for his, the allowance now
 being granted is quite adequate -

Sir,

Adverting to Government Order No L 3528-9/M1 82-45-13 dated 6th November 1945, sanctioning a conveyance allowance of Rs 50/- per mensem to Mr C Krishnamurthi Rao, Chief Officer, I have the honour to state that Mr C Krishnamurthi Rao, Officer joined duty in this Municipality on 7th of November 1946

p 2409
46-47

His Last Pay Certificate showed that he was in receipt of a conveyance allowance of Rs 50/- till he handed over charge at Hassan Town Municipality. He brought his car to this town also along with him. The scale of conveyance allowance in this Municipality is Rs 25/- The Municipal Council while recording the Last Pay Certificate at its very next meeting after this Officer took charge desired that he should continue to maintain the car in the interest of the municipal work for some time to watch whether this conveyance really helped him to do more work in the direction of improving ^{The} finances of the municipality and to attend to the disposal of other works speedily.

After watching his work nearly for 5 months, the Municipal Council came to the final conclusion that it is very necessary for the Chief Officer to maintain a car in this extensive town to attend to his duties promptly and to manage the affairs of the Institution better and so it has resolved at its Ordinary General Meeting held on 27-3-1947 that the

the car allowance of Rs.50/- per month may be continued to be paid to Mr C Krishnamurthi Rao Chief Officer, from the date of his taking charge of his office in this municipality (from 7-11-1946), Mr C Krishnamurthi Rao has been maintaining a small car Morris, 8 H P for the municipal work.

In this connection, I wish to bring to your kind notice that this town is very extensive and has 9 gates. The distance between any two main toll gates exceeds 2 miles. The aggregate distance of inspecting of all the toll-gates commencing from one and ending with the last gate is about 12 miles. The Chief Officer ^{who is} the only responsible officer has to inspect all the gates twice day, once in the morning and again in the night for preventing mal-practices as it is found by experience that it is unsafe to allow the toll-gate keepers and ookad mutsadis to go on with collection work without frequent checks on them. Besides Shimoga Town is a semi-malnad area and it is desirable that the Chief Officer should be provided with a suitable conveyance to visit toll-gates situated far off from the town at any time throughout the year both in the rainy and summer seasons which will provide him shelter from wind, rain and sun.

Ever since Mr C Krishnamurthi Rao took charge in this municipality he has been very keen in improving the finances of the municipal council and is quite alert in the discharge of his duties. The enclosed comparative statement of collections will speak for itself regarding the improvements in collections under several items of revenue. He has been going on night petrol to watch and prevent smuggling and has detected a number of cases without fear or favour. He is intelligent and hard-working and extracts good work from the subordinate staff. He is honest and conscientious in the discharge of his onerous duties.

Under these circumstances and especially in view of the considerable increase in revenue under several heads by his good work the increase of the conveyance allowance by Rs.25/- over and

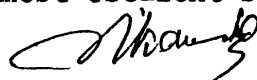

~~Rs 25/-~~ over and above the meagre allowance Rs 25/- which he is now drawing, is very necessary and deserving

I therefore request that sanction of Government may kindly be obtained to the resolution of the Municipal Council

Sagget payment of a car allowance at Rs 50/ p m to Mr C Krishnamurthy Rao, chief officer, Shencoppa Town municipality.

Sir,

With reference to your letter no N 3 C 3140/ub-47 dated 24-7-47 on the above subject I am directed to state that your proposal to grant a motor car allowance of Rs 50 to the chief officer of the

Shimoga town municipality does
not commend itself to Govt, as
an officer of the State and grade pay
of Chief Officer is not required to own and
maintain a motor car. It would be
enough if the Chief Officer maintains
a bicycle or at best a motor cycle,
and for this, the allowance of Rs 25/- per
month now being granted, is quite adequate.
